

Today...I wish you a day of ordinary miracles –

A fresh pot of coffee you didn't have to make yourself.

An unexpected phone call from an old friend.

Green stoplights on your way to work or shop.

I wish you a day of little things to rejoice in.

The fastest line at the grocery store.

A good sing along song on the radio.

Your keys right where you look.

I wish you a day of happiness and perfection-little bite-size pieces of perfection that give you the funny feeling that the Lord is smiling on you, holding you so gently because you are someone special and rare.

I wish you a day of Peace, Happiness and Joy.

They say it takes a minute to find a special person, an hour to appreciate them, a day to love them, but then an entire life to forget them.

It's a short message to let people know that you'll never forget them.

Take the time!

Wishing you the very best

and....

Peace  *On Earth*
